REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

MEMORANDUM.

WAR-OFFICE.

CAPTAINS on Half-Pay, who are desirous of becoming Candidates for Regimental Paymasterships, should send their applications to the Secretary at War, accompanied by proper testimonials and references as to Character and Eligibility.

No. 456. **GENERAL ORDER.**

HORSE-GUARDS, 24th August, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Dieman's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been reduced, or have retired to Half Pay on account of Wounds or impaired Health, shall be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

HENRY TORRENS, Adjutant General.

MEMORANDUM

FOR THE

INFORMATION OF OFFICERS ON THE HALF-PAY OF THE ARMY.

By the Act of the 1st Geo. IV. cap. 3, all Officers on Half-Pay of the Army were allowed to hold *Civil* Situations under the Crown, together with their Half-Pay, under certain restrictions therein specified; and this permission has been continued to them by the provisions of the subsequent Acts, for the Appropriation of the Supplies of the year; but whilst the Appropriation Act of the present year confirms this indulgence to those who have already obtained it, and has no retrospective effect, it also enacts, that, *for the future*, no Half-Pay Officer who shall be appointed to a *Civil* Situation under the Crown, *after the 28th of July*, 1828, shall be allowed to receive any portion of his Half-Pay, so long as he shall hold such Civil Place or Employment of Profit. The Clause is as follows:

Extract from the 15th Clause of the 9th Geo. IV. cap. 95.

"No person who shall *after the passing of this Act* be appointed to any *Civil* Place or Employment of Profit under His Majesty, or in the Colonies or Possessions of His Majesty beyond the Seas, or under any other Government, shall have or receive any part of the same [Half-Pay] for any time during which he shall hold any such Civil Place or Employment of Profit under His Majesty, beyond the Seas, or under any other Government."

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

MEMORANDUM.

WAR-OFFICE.

CAPTAINS on Half-Pay, who are desirous of becoming Candidates for Regimental Paymasterships, should send their applications to the Secretary at War, accompanied by proper testimonials and references as to Character and Eligibility.

No. 456. GENERAL ORDER.

HORSE-GUARDS, 24th August, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Dieman's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827,

to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been reduced, or have retired to Half Pay on account of Wounds or impaired Health, shall be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

HENRY TORRENS, Adjutant General.

By the Act of the 1st Geo. IV. cap. 3, all Officers on Half-Pay of the Army were allowed to hold *Civil* Situations under the Crown, together with their Half-Pay, under certain restrictions therein specified; and this permission has been continued to them by the provisions of the subsequent Acts, for the Appropriation of the Supplies of the year; but whilst the Appropriation Act of the present year confirms this indulgence to those who have already obtained it, and has no retrospective effect, it also enacts, that, *for the future*, no Half-Pay Officer who shall be appointed to a *Civil* Situation under the Crown, *after the 28th of July*, 1828, shall be allowed to receive any portion of his Half-Pay, so long as he shall hold such Civil Place or Employment of Profit. The Clause is as follows:

Extract from the 15th Clause of the 9th Geo. IV. cap. 95.

" No person who shall *after the passing of this Act* be appointed to any *Civil* Place or Employment of Profit under His Majesty, or in the Colonies or

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

No. 456. GENERAL ORDER.

HORSE-GUARDS, 24th August, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Dieman's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been reduced, or have retired to Half Pay on account of Wounds or impaired Health, shall

be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

INFORMATION OF OFFICERS ON THE HALF-PAY OF THE ARMY.

By the Act of the 1st Geo. The Clause is as follows:

Extract from the 15th Clause of the 9th Geo. IV. cap. 95.

"No person who shall *after the passing of this Act* be appointed to any *Civil* Place or Employment of Profit under His Majesty, or in the Colonies or Possessions of His Majesty beyond the Seas, or under any other Government, shall have or receive any part of the same [Half-Pay] for any time during which he shall hold any such Civil Place or Employment of Profit under His Majesty, beyond the Seas, or under any other Government."

In future all Officers of Infantry are to wear a Coatee without Lappels; the Buttons to be placed in rows of Twos, or at equal distances, as now placed on the respective Uniforms of Regiments, the width between the Buttons being three inches at top, and two and a half inches at bottom. The Uniforms which are now plain to have Lace on the Cape, Cuff, and Skirts. Patterns of Gold and Silver Lace, shewing the *breadth* and *quality* of each, (without interfering with the particular Regimental pattern,) have been approved by His Majesty.

Regiments now wearing Embroidery to be allowed to retain it.

The Epaulettes to be of the same pattern throughout the Infantry, two being worn by every Officer; and the distinction of Ranks to be in the progressive size of the bullion, and in the devices. The Stripe upon the Strap of the Epaulettes of Captains and Subalterns to vary according to the colour of the Regimental Facings; the Strap of the Epaulettes of Field Officers to be without Stripe. The Epaulettes of Lieutenant-Colonels and Majors to have the distinction of devices as shewn upon the patterns; those of full Colonels to unite these devices.

The Blue Grey Trowsers, now worn by the Infantry, to be discontinued,

and Trowsers of the Oxford Mixture to be adopted in place of them, for Officers and Men.

A Forage Cap, as described in the margin,* to be worn at all times by Officers with the Great Coat, as off Parade; and no other Cap or Head-dress to be allowed with Regimentals, except the Chaco.

An Oil-skin Cover is permitted over the Forage Cap in bad weather.

The Chaco to be the same throughout the Infantry, Highland and Rifle Regiments excepted; the Fusileers wearing it at stations where they are not required to wear the Bearskin Cap, with a Grenade to mark the distinction. The Feather to be *White* for the Grenadiers and Battalion; the Light Infantry *Green*, as before.

The Officers of Infantry Regiments, serving at the undermentioned Stations, are permitted to wear a plain Shell Jacket, with the Regimental Facing and Button. This Jacket to be uniform for the Infantry at the Stations where it is allowed to be worn, viz.

East Indies,	Ceylon,	Cape of Good Hope,
Mauritius,	West Indies,	Gibraltar.
Mediterranean,		

Epaulettes are not to be worn on any Uniform over Wings: Field Officers of Fusileers and Light Infantry, as a distinction, to wear Epaulettes only.

All Braided Great Coats are positively forbidden; but each Officer of Infantry is to be provided with a plain Blue Regimental Great Coat, of an Uniform Pattern as approved, with the Regimental Button, and a small Gold or Silver Cord on each Shoulder, to be worn with Sash and Cross Belt over it, on all common occasions in quarters, or in the Field, at ordinary Drills, &c. the Uniform being reserved for occasions of *Parade* and *Duty*. Each Officer is permitted to exercise his option in supplying himself with the Cloak established by Regulation.

Paymasters and Surgeons to wear the Uniform of their respective Regiments, (the Sash excepted,) with the Epaulettes of their corresponding Ranks, and Cocked Hats.

The Unattached Uniform to be the same for all Officers on Half-Pay. The Head Dress, a Cocked Hat and Stand-up Feather.

Patterns of all the Articles abovementioned have been sealed, and deposited at the Office of Consolidated Boards, 21, Spring Gardens.

The General Commanding in Chief leaves it to the convenience of Officers, who are already provided with Uniforms, to make these Alterations in their Dress and Appointments within Twelve Months from the date of this Order, with the exception of Half-Pay Officers, who are permitted to wear out their present Dress.

Officers, whose Appointments take place subsequently to this Date, are to conform to these Regulations.

The Alteration in the Dress of the Men of the Infantry Regiments is to

take place from 25th December, 1829, with the exception of Regiments in India and America, in which it will take effect from 25th December, 1830.

The Alteration in the Chaco for the Men is to be made at the period when new Supplies are required by the respective Regiments.

No Alteration is to take place in the Jacket worn by the Officers and Men of Highland Regiments except in the Sleeve, which is to be made to correspond with that of the Regiments of Infantry generally.

The Jackets of Rifle Regiments are to remain as at present.

The option given to Officers of Infantry in the Book of Dress Regulations, to appear at His Majesty's Levees in Trowsers and Ancle Boots, is cancelled, and in future they will wear Shoes and Stockings, as at Drawing Rooms, with the exception of those belonging to Highland and Rifle Regiments.

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

No. 456. GENERAL ORDER.

HORSE-GUARDS, 24th August, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Dieman's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been reduced, or have retired to Half Pay on account of Wounds or impaired Health, shall

be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

HENRY TORRENS, Adjutant General.

No. 474.

GENERAL ORDER.

HORSE-GUARDS, 18th March, 1829.

THE General Commanding in Chief having observed, by the Returns recently transmitted of the Number of Women and Children with the several Regiments in Great Britain and Ireland, that the Number permitted to reside with their Husbands in Barracks, in many Regiments, very greatly exceeds the proportion allowed by His Majesty's Warrant for the Regulation of Barracks, dated 16th March, 1824, His Lordship feels it necessary to call the immediate Attention of the Officers Commanding Regiments to the Directions therein contained, from which they have no Authority to deviate.

Commanding Officers of Regiments must have had ample experience of the very great Inconvenience accruing to the Service and to the Public, from the improvident and injudicious Marriage of Soldiers:—It is therefore enjoined, in the General Regulations of the Army, that "Every Soldier, previous to his Marriage, with a view to receive the comforts and advantages which His Majesty's Bounty, and the Custom of the Service extend to Married Soldiers, and to their Wives of good characters, should obtain the Consent of his Commanding Officer, and state the Name and Condition of the Woman he proposes to marry, and whether she be a Spinster or Widow."

In order, therefore, to check the Inconveniences which so severely press upon Individuals and upon the Service from this Cause, Soldiers, who have

Digitized by Google

Married without the Consent of their Commanding Officer, shall, *under no Circumstances*, be allowed to have their Wives in Barracks, or to participate in any of the Advantages allowed by the Regulations of the Service to Married Soldiers.

It must be explained to the Men that their Comforts, as Soldiers, are in a very small degree increased by their Marriage, while the Inconvenience and Distress, naturally accruing to them from such Connexion, are serious and unavoidable, particularly when Regiments are ordered to Embark for Foreign Service, when only *Six Women to One Hundred Men* are allowed to proceed with their Husbands. On these occasions Commanding Officers of Regiments are placed under considerable embarrassment in making selection of the Women who are to be permitted to accompany their Husbands Abroad, and of those who are to be compelled to return to their Friends or to their Parishes.

By Command of the Right Honourable
The General Commanding in Chief.
HERBERT TAYLOR, Adjutant-General.

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

No. 456. GENERAL ORDER.

HORSE-GUARDS, 24th August, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Diemau's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been reduced, or have retired to Half Pay on account of Wounds or impaired Health, sh...

be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

HENRY TORRENS, Adjutant General.

CIRCULAR.

HORSE-GUARDS, 16th February, 1829.

WITH a view to limit effectually the Expense of Mess and Band Subscriptions, and at the same time to provide for the Proper Maintenance of these Establishments, The King has been pleased to command, that the following Regulations shall take place throughout the Cavalry and Infantry, the Household Troops excepted:—

Thirty days' pay to be paid by each Officer to the Mess Fund on Appointment, and an Annual Subscription under the discretion of the Commanding Officer, but not exceeding Eight days' pay, to be paid in support of Mess Contingencies.

In all cases of Promotion each Officer to pay the difference on Thirty days' pay between the Rank attained and that previously held.

Twenty days' pay to be paid by each Officer to the Band Fund on Appointment, and an Annual Subscription under the discretion of the Commanding Officer, but not exceeding Twelve days' pay to be paid in support of the Band Expenses.

In all cases of Promotion the same Rule to apply to the Band as that laid down for the Mess Subscription.

The regulated Allowance to Servants to be in future 2*s.* 6*d.* per Week in the Cavalry, and 1*s.* 6*d.* in the Infantry.

No other Subscriptions or Charges upon any Regimental Officer to be considered imperative.

In publishing His Majesty's pleasure to the Army upon subjects calculated so essentially to promote Economy in the Interior of Regiments, and to relieve Officers from extraordinary and unexpected Expense by the introduction of a fixed and uniform Scale, the General Commanding in Chief

No. 474.

GENERAL ORDER.

HORSE-GUARDS, 18th March, 1829.

THE General Commanding in Chief having observed, by the Returns recently transmitted of the Number of Women and Children with the several Regiments in Great Britain and Ireland, that the Number permitted to reside with their Husbands in Barracks, in many Regiments, very greatly exceeds the proportion allowed by His Majesty's Warrant for the Regulation of Barracks, dated 16th March, 1824, His Lordship feels it necessary to call the immediate Attention of the Officers Commanding Regiments to the Directions therein contained, from which they have no Authority to deviate.

Commanding Officers of Regiments must have had ample experience of the very great Inconvenience accruing to the Service and to the Public, from the improvident and injudicious Marriage of Soldiers:—It is therefore enjoined, in the General Regulations of the Army, that "Every Soldier, previous to his Marriage, with a view to receive the comforts and advantages which His Majesty's Bounty, and the Custom of the Service extend to Married Soldiers, and to their Wives of good characters, should obtain the Consent of his Commanding Officer, and state the Name and Condition of the Woman he proposes to marry, and whether she be a Spinster or Widow."

In order, therefore, to check the Inconveniences which so severely press upon Individuals and upon the Service from this Cause, Soldiers, who have Married without the Consent of their Commanding Officer, shall, *under no Circumstances*, be allowed to have their Wives in Barracks, or to participate in any of the Advantages allowed by the Regulations of the Service to Married Soldiers.

It must be explained to the Men that their Comforts, as Soldiers, are in a very small degree increased by their Marriage, while the Inconvenience and Distress, naturally accruing to them from such Connexion, are serious and unavoidable, particularly when Regiments are ordered to Embark for Foreign Service, when only *Six Women to One Hundred Men* are allowed to proceed with their Husbands. On these occasions Commanding Officers of Regiments are placed under considerable embarrassment in making selection of the Women who are to be permitted to accompany their Husbands Abroad, and of those who are to be compelled to return to their Friends or to their Parishes.

By Command of the Right Honourable
The General Commanding in Chief.
HERBERT TAYLOR, Adjutant-General.

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

No. 456. GENERAL ORDER.

HORSE-GUARDS, 24th August, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Dieman's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been reduced, or have retired to Half Pay on account of Wounds or impaired Health, shall

be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

HENRY TORRENS, Adjutant General.

CIRCULAR.

HORSE-GUARDS, 16th February, 1829.

Memorandum.

WITH a view to limit effectually the Expense of Mess and Band Subscriptions, and at the same time to provide for the Proper Maintenance of these Establishments, The King has been pleased to command, that the following Regulations shall take place throughout the Cavalry and Infantry, the Household Troops excepted:—

Thirty days' pay to be paid by each Officer to the Mess Fund on Appointment, and an Annual Subscription under the discretion of the Commanding Officer, but not exceeding Eight days' pay, to be paid in support of Mess Contingencies.

In all cases of Promotion each Officer to pay the difference on Thirty days' pay between the Rank attained and that previously held.

Twenty days' pay to be paid by each Officer to the Band Fund on Appointment, and an Annual Subscription under the discretion of the Commanding Officer, but not exceeding Twelve days' pay to be paid in support of the Band Expenses.

In all cases of Promotion the same Rule to apply to the Band as that laid down for the Mess Subscription.

The regulated Allowance to Servants to be in future 2*s.* 6*d.* per Week in the Cavalry, and 1*s.* 6*d.* in the Infantry.

No other Subscriptions or Charges upon any Regimental Officer to be considered imperative.

In publishing His Majesty's pleasure to the Army upon subjects calculated so essentially to promote Economy in the Interior of Regiments, and to relieve Officers from extraordinary and unexpected Expense by the introduction of a fixed and uniform Scale, the General Commanding in Chief

calls upon General Officers in Charge of Districts, and Commanding Officers of Regiments and of Reserve Companies, to give the fullest effect to these Regulations.

By Command of the Right Honourable
General Lord Hill.

H. TAYLOR, Adjutant-General.

No. 474.

GENERAL ORDER.

HORSE-GUARDS, 18th March, 1829.

THE General Commanding in Chief having observed, by the Returns recently transmitted of the Number of Women and Children with the several Regiments in Great Britain and Ireland, that the Number permitted to reside with their Husbands in Barracks, in many Regiments, very greatly exceeds the proportion allowed by His Majesty's Warrant for the Regulation of Barracks, dated 16th March, 1824, His Lordship feels it necessary to call the immediate Attention of the Officers Commanding Regiments to the Directions therein contained, from which they have no Authority to deviate.

Commanding Officers of Regiments must have had ample experience of the very great Inconvenience accruing to the Service and to the Public, from the improvident and injudicious Marriage of Soldiers:—It is therefore enjoined, in the General Regulations of the Army, that "Every Soldier, previous to his Marriage, with a view to receive the comforts and advantages which His Majesty's Bounty, and the Custom of the Service extend to Married Soldiers, and to their Wives of good characters, should obtain the Consent of his Commanding Officer, and state the Name and Condition of the Woman he proposes to marry, and whether she be a Spinster or Widow."

In order, therefore, to check the Inconveniences which so severely press upon Individuals and upon the Service from this Cause, Soldiers, who have Married without the Consent of their Commanding Officer, shall, *under no Circumstances*, be allowed to have their Wives in Barracks, or to participate in any of the Advantages allowed by the Regulations of the Service to Married Soldiers.

It must be explained to the Men that their Comforts, as Soldiers, are in a very small degree increased by their Marriage, while the Inconvenience and Distress, naturally accruing to them from such Connexion, are serious and unavoidable, particularly when Regiments are ordered to Embark for Foreign Service, when only *Six Women to One Hundred Men* are allowed to proceed with their Husbands. On these occasions Commanding Officers of Regiments are placed under considerable embarrassment in making selection of the Women who are to be permitted to accompany their Husbands Abroad, and of those who are to be compelled to return to their Friends or to their Parishes.

By Command of the Right Honourable
The General Commanding in Chief.
HERBERT TAYLOR, Adjutant-General.
